Make your choices known

Why is it important to attend the annual meeting ?

- Input-gives you a chance to tell the board of directors what direction tourism should take.
- Tourists spend over \$16 million every year in Jones County- do you want to share in these dollars? We need to have your input on where and how we direct these tourists.
- The Board members come from each town, help elect the people you want to guide Jones County Tourism and to recommend new Board members.
- You get to see the financial report, find out where the dollars are spent and give your input to the report.

Things we should think about

- Give people more than they expect and do it Cheerfully.
- Don't believe all you hear, spend all you have Or sleep all you want.
- When you say, 'I love you ,' mean it.
- When you say, 'I'm sorry,' look the person in the Eye.
- Never laugh at anyone's dream. People who don't have dreams don't have much.
- In disagreements, fight fairly. No name calling
- Don't judge people by their relatives.
- Talk slowly but think quickly.
- When you lose, don't lose the lesson!
- Remember the three R's: Respect for self; Respect for others; and responsibility for All your actions.
- Don't let a little dispute injure a great friend Ship.
